

Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 24 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Largely dry evening then rain approaching overnight.

This Evening and Tonight:

There will be a few isolated showers in the west this evening before widespread rain pushes across the region overnight. Turning breezy along the coasts. Minimum temperature 10 deg C (50 deg F).

Friday:

After a damp and cloudy start, conditions will become more settled through the day with plenty of sunshine during the afternoon. Feeling cooler in the west. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:

Sunshine and showers on Saturday, these potentially heavy or thundery at times. Cloudy with morning rain on Sunday. Widespread rain on Monday turning heavy at times as winds strengthen too.
